

CLUB AQUATICS QUICK CHECK

Use this form to check lifeguard performance at any pool or aquatics facility that you bring Club youth to.

Club Name: _____

Date: _____ Time: _____

Auditor: _____

Yes	No	Quick Check Item
		At least 2 lifeguards are on duty for aquatic operations, with a minimum of 1 lifeguard for each body of water
		Lifeguards are rescue ready, easily identifiable with a whistle, hip pack containing PPE, and rescue tube strap across chest
		Lifeguards are positioned at the edge of the body of water and are either standing or seated in an elevated chair
		Lifeguards are actively scanning their entire area of responsibility, from the bottom to the top of the water
		Lifeguards are singularly focused with no other duties when on scanning duty
		Lifeguards rotate positions at least every 30 minutes
		Lifeguards receive a 10-minute break for every 50 minutes of active scanning duty
		All youth participating in aquatic activities have completed a swim assessment to determine swimming ability
		All swimmers are visibly marked on their assessment to determine swimming ability
		All youth who do not pass nor take the swim assessment are in the shallow-end and wearing a Coast Guard approved lifejacket

Comments/Immediate Action Taken:
